One Day Retreat at Full Moon

with lots of qigong practice, healing, self-healing, Q&A and discussions
on life-cultivation topics

Online / In Person (in Sofia) / via Recordings

Sunday, 26 November 2023 (EET time zone date)

Language: English (with simultaneous interpretation to Bulgarian)

Led by: [Vlado Rashev, qigong teacher and therapist](#)

Dear Yuan Gong Students, Teachers, Fellow Practitioners and other Persons interested in the art of Qigong and Life Cultivation,

It's a pleasure to invite you to yet another One Day Retreat filled with [Yuan Gong](#) practice, [Healing and Self Healing](#) and [Ren Xue](#) discussions ([click here for testimonials from previous events](#)). The retreat will be conducted in the Global Ren Xue Qifield of the next Full Moon - a Qifield finely tuned and strengthened by [Yuan Tze](#) and supported by all of his students around the globe.

The program consists of 6 sessions, 4 of which are dedicated to the practice of both dynamic and static qigong; one - to the art of Yuan Ming medicine and self-healing, and another one - to the Wisdom Culture ([click here for the draft program](#)).

Please note the purpose of doing so much practice in one day is not to exhaust you or just for the sake of having a Yuan Gong marathon ;). Rather, it is to use the practice to keep drawing your consciousness inward and engaging it into activities that benefit your health and help achieve a higher level of unification and harmony in life. You'll be constantly reminded to NOT overexert yourself and do all practices in a kind, gentle and Qi-full way.

Individual healing sessions: In addition to the group sessions and as part of the one-day retreat, you may also decide to request an individual healing from a qualified Yuan Gong teacher and therapist. You can receive healing either in person or from distance. The list of the teachers willing to give healing along with their contact details will be sent to everyone 2-3 days prior the retreat. To arrange an individual healing, you'll need to contact the teachers on the list directly.

If you are a qualified teacher yourself and you are willing to give healing as part of the retreat ([see the time allotted for that here](#)), please indicate this when filling the registration form (you need to have YG level 3 certificate for that).

Who may attend

- **Absolute beginners as well as Qigong practitioners with no prior experience in Yuan Gong** are most welcome. This event is a perfect opportunity to get a taste of the practice of Yuan Gong and learn about the philosophy behind. Simple instructions will be given at the beginning of each session and all you need to do is follow Vlado's demonstration.
- **Practitioners who know one or more Yuan Gong methods.** If you fall into this category, this will be a great opportunity for you to go deeper in your Yuan Gong experience and see the effect of one whole day of practice. It's also an opportunity to try some of the methods you don't know yet and learn more about the teachings in Ren Xue.
- **For the fellow Yuan Gong teachers,** I hope this would be a good opportunity to explore further the mystery and magic of the Qifield and the information it carries, do some healing work, contribute to the discussions and the group healing, have fun and enjoy the abundance of practice and Qi. Feel free to join together with your students as a group (contact Vlado to discuss this option further).

Ways to participate

To get the most of this retreat, it is recommended to attend all sessions, ideally in consecutive order. If, however, that's not possible, feel free to join whatever sessions you can and do the rest later on via the recordings.

You can participate in the following ways:

1. **Online via Zoom – we'll send you the connection link on 25 November (one day before the start of the event)**
2. **Via recordings (we'll send you the recordings on the same day, a couple of hours after the end of the last session)**
3. **In Person (the best way), at our studio in Mladost 2 (Sofia, Bulgaria). There are 6 places only so don't delay your registration for too long!**
Please note meals will not be offered as part of the retreat, however, you are most welcome to bring your own food (or food to share) and use the kitchen to warm it up. The breakfast and lunch breaks are long enough to go out to the nearby café too.
A selection of green, black, herbal and fruit teas will be at your disposal during the breaks.
4. Any combination of the previously listed ways. Please, let us know about your preferences in the registration form.
